

**A NewYork-Presbyterian Queens
Continuing Medical Education Event
at Terrace On The Park**

KEY TOPICS

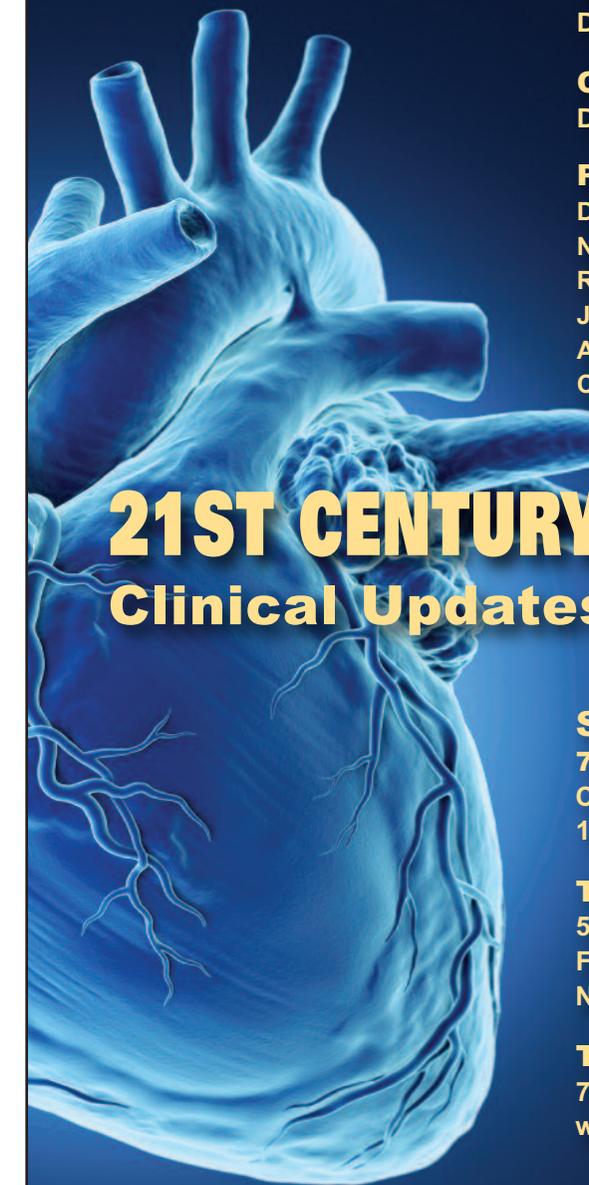

- ▶ **Preoperative Cardiac Evaluation and Management: What Clinicians Need to Know.**
- ▶ **Management Options for Advanced Heart Failure.**
- ▶ **Current Valvular Heart Disease Management: Mitral and Aortic Disease and Transcatheter Therapeutics.**
- ▶ **Top 5 Most Relevant Clinical Trials in Atrial Fibrillation Management: What You Need to Know for a Busy Clinical Practice.**
- ▶ **Cardiac CT imaging: Coronary Calcium Score, Coronary Angiogram and Coronary Fractional Flow Reserve.**
- ▶ **Palliative Care in the Advanced Heart Failure Patient: A Patient - Centered Approach.**

**Breakout Session
Echo, EP, Non-Invasive Cases - a unique opportunity to enhance clinical knowledge and expertise.**

PRESORTED
FIRST CLASS MAIL
U.S. POSTAGE
PAID
WATERBURY, CT
PERMIT NO. 186

NewYork-Presbyterian
Queens

Continuing Medical Education

Queens

21ST CENTURY CARDIOLOGY Clinical Updates and Advances

Saturday, March 21, 2020 • 7:30 a.m. - 1:15 p.m.

(Catered Hot Buffet Lunch 12:15 p.m. - 1:15 p.m.)

Terrace On The Park

52-11 111th Street, Flushing Meadows Park
New York, NY

Program Chair

Dave Ramnauth, MD

Statement of Need • Heart disease remains the most common cause of death in men and women in the United States. Remarkable advances in cardiovascular medicine and technology evolve at rapid pace and directly affect clinical guidelines. Physicians and allied health professionals require continuous updates on the most recent guidelines in order to offer their patients innovative treatment. In a busy clinical practice, it can be a challenge to stay abreast with the most recent advances and guidelines. This program will provide physicians and allied health professionals with the latest guidelines that are clinically relevant in cardiovascular medicine. Program attendees will have a unique opportunity to review challenging clinical cases and ask questions in a group setting with a panel of experts.

Target Audience • Primary care physicians, cardiologists, fellows, residents, medical students, physician assistants, nurse practitioners, registered nurses, and all cardiac health care providers.

Educational Objectives • It is intended that this NewYork-Presbyterian Queens CME activity will lead to improved patient care. At the conclusion of this program, participants will be able to:

- Assess preoperative risk for non-cardiac surgery and perioperative management.
- Describe the current options for the advanced heart failure patient.
- Specify indications for transcatheter mitral and aortic valve intervention and appropriate indications for referral to a valve treatment team.
- Discuss the top 5 most relevant clinical trials for atrial fibrillation management in a busy clinical practice.
- Describe the ways in which coronary calcium score, coronary angiogram and coronary fractional flow reserve impact coronary artery disease management.
- Review the role of the palliative care team in the management of the advanced heart failure patient.

Accreditation • NewYork-Presbyterian Queens is accredited by the Medical Society of the State of New York to provide continuing medical education for physicians.

NewYork-Presbyterian Queens designates this live activity for a maximum of **3.75 AMA PRA Category 1 Credit(s)**™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement • NewYork-Presbyterian Queens relies upon planners and faculty participants in its CME activities to provide educational information that is objective and free of bias. In this spirit, and in accordance with the guidelines of MSSNY and ACCME, all speakers and planners for CME activities must disclose any relevant financial relationships with commercial interests whose products, devices or services may be discussed in the content of a CME activity that might be perceived as a real or apparent conflict of interest. Any discussion of investigational or unlabeled uses of a product will be identified.

Registration Fees • **\$50 Physicians / \$25 General Registrants / No Fee for Physicians-in-training, NYP Queens Physicians & Staff** (copy of NYP Queens ID required with registration). Fee includes continental breakfast, catered hot buffet lunch and course materials.

Cancellation Policy • Refunds will only be made upon receipt of written notification a minimum of five work days prior to the session.

Special Needs • Participants with disabilities or special needs are requested to contact the Office of Continuing Medical Education at 718-670-1419.

To Register / Information • Ms. Pamela Williams, Director, Continuing Medical Education
tel: 718-670-1419 / fax: 718-661-7925 / email: pgw9001@nyp.org • **Register online:** www.nypqcme.org

AGENDA

7:30 a.m. Registration and Continental Breakfast

8:00 a.m. ■ **Introduction**

Chairman, Department of Medicine, NewYork-Presbyterian Queens

Joseph T. Cooke, MD

Chief, Division of Cardiology, NewYork-Presbyterian Queens

David J. Slotwiner, MD, FACC, FHRS

Assistant Professor of Clinical Medicine, Healthcare Policy and Research, Weill Cornell Medicine
Attending Cardiac Electrophysiologist

8:15 a.m. ■ **Preoperative Cardiac Evaluation and Management:**

What Clinicians Need to Know

Dave Ramnauth, MD

Non-Invasive and Clinical Cardiologist, NewYork-Presbyterian Queens

8:45 a.m. ■ **Management Options for the Advanced Heart Failure Patient**

Nir Uriel, MD, MSc

Professor of Medicine, Division of Cardiology, Columbia University Vagelos College of Physicians and Surgeons; Professor of Medicine, Division of Cardiology, Weill Cornell Medicine
Director of Advanced Heart Failure and Cardiac Transplantation, NewYork-Presbyterian

9:15 a.m. ■ **Current Valvular Heart Disease Management: Mitral and**

Aortic Disease and Transcatheter Therapeutics

Robert M. Minutello, MD, FACC, FSCAI

Associate Professor of Clinical Medicine, Weill Cornell Medicine; Director of Cardiac Catheterization Lab; Director of Structural Heart, NewYork-Presbyterian Queens; Director of Interventional Cardiology Fellowship Training Program, NYP-Weill Cornell

9:45 a.m. **Break**

10:00 a.m. ■ **BREAKOUT SESSION** • **ECHO Interactive Cases** (Strain Imaging, 3D Ejection Fraction)

• **EP Interactive Cases** (Wearable Devices)

• **Non-Invasive Cases** (Lipid Management)

10:30 a.m. ■ **Top 5 Most Relevant Clinical Trials in Atrial Fibrillation**

Management: What You Need to Know for A Busy

Clinical Practice

JoonHyuk Kim, MD, FACC

Attending Cardiac Electrophysiologist, NewYork-Presbyterian Queens

11:00 a.m. ■ **The Ways Coronary Calcium Score, Coronary Angiogram**

and Coronary Fractional Flow Reserve Impact Coronary

Artery Disease Management

Alexander Volodarskiy, MD, FACC, RPVI

Assistant Professor of Clinical Medicine, Weill Cornell Medicine; Attending Physician, Division of Cardiology; Director of Cardiac CT, NewYork-Presbyterian Queens

11:30 a.m. ■ **Palliative Care in the Advanced Heart Failure Patient:**

A Patient-Centered Approach

Cynthia Pan, MD, FACP, AGSF

Associate Professor of Clinical Medicine, Weill Cornell Medicine
Chief, Division of Geriatrics and Palliative Care Medicine; Designated Institution Official (DIO) of Graduate Medical Education (GME), NewYork-Presbyterian Queens

12:00 p.m. ■ **Panel Discussion / Q&A / Closing Remarks**

12:15 p.m. **Hot Buffet Lunch - Prepared by the Terrace On The Park Culinary Team**

REGISTRATION
